MAINTENANCE INSTRUCTIONS:

Tightness of Parts:

Regularly check whether all connection parts are fastened securely. Follow this procedure daily before beginning work.

Lubrication:

Depending on conditions, regularly use an appropriate lubricant on drawer sliders and the wheel swivels.

Ordering Service parts:

For further operational and handling information or for replacement of parts and components, contact the sales agent from where you purchased the tool, or the service division of our company. When ordering parts or components, give Item #, G #, and quantities.

3 YEAR LIMITED WARRANTY

- * The manufacturer warrants this product to the original user against defective material or workmanship for a period of three years from the purchase date.
- * The manufacturer reserves the right to determine whether the part or parts failed because of defective material, workmanship or other causes. Also, failures caused by accidents, alterations or misuse are not covered by this warranty.
- * The manufacturer, at his discretion, will repair or replace products covered under this warranty free of charge. Repairs or replacements of products covered under this warranty are warranted from the original warranty date.
- * The manufacturer or his authorised service representative must perform all warranty repairs. Any repair warranty is limited to the original user and may not be transferred to subsequent users.
- * This warranty is in lieu of all other warranties, expressed or implied, including warranties of merchantability and the fitness for a particular purpose. Some jurisdictions do not allow the exclusion or limitations of incidental or consequential damages, so the above limitations may not apply to you.

Model: HD41SC04 (-BL, -BK, -RD)

PRODUCT TYPE:

HD SERIES, 41", 4 DRAWER, TOOL STORAGE SIDE CABINET

To Attach Side Cabinet

1. Bolt the two caster wheels - 4 caster bolts each - to the under side of the side cabinet, (on your right side when looking at it from the front).
2. Use 6 caster bolts to attach connection plate to bottom of rolling cabinet (on your right side when standing in front of the rolling cabinet).
3. **IMPORTANT:** Now put on brakes for the two side cabinet wheels and at least two roller cabinet wheels.
4. Inside the side cabinet, remove the second drawer from the top as per instructions "to remove drawers" below.
5. Remove exposed left slider to install two hex bolts into tool chest. To remove left slider, fully extend drawer, then twist slider to the right, and lift up.
6. Set side cabinet on connection plate and hold in place for next 3 steps.
7. Use 3 caster bolts to attach side cabinet to connection plate. Align front face of the side cabinet flush with front face of the roller cabinet and tool chest. Tighten connect plate bolts.
8. Turn 5 hex bolts through wall of side cabinet into rolling cabinet and tool chest. Tighten.
9. Install shelf clips and shelves where desired.

Parts for Install

- 1 Connection Plate
- 2 Caster Wheels
- 17 Caster Bolts
- 5 Hex Bolts
- 18 Shelf Clips
- 3 Shelves

To Remove Drawers

1. Pull drawer out so it is fully extended.
2. Push down the black lever on the left side of the drawer. Push up the black lever on the right side of the drawer as shown in Figure 1 below.
3. While holding levers, pull the drawer outward until it is released from the drawer slide.

Fig. 1 Removing drawers.

To Replace Drawers

1. Slide drawer sliders onto cabinet sliders.
2. Push the slider until half way on drawer.
3. Push the drawer in, in stages, until fully closed.

PRODUCT TYPE:

HD SERIES, 41", 4 DRAWER, TOOL STORAGE SIDE CABINET

Handles are not to be used to lift any cabinet.
